TO WHOM IT MAY CONCERN

Re: SAM ROBERTS, SOLICITOR

1. I have worked on many occasions as counsel instructed by Sam Roberts during his time as an employed solicitor with Baker Lover Lawyers.
2. Sam and I worked together on commercial disputes including those relating to the enforcement of contracts, breaches of contract, misleading or deceptive conduct, breaches of confidentiality and breaches of intellectual property rights.
3. During that time, I found Sam Roberts to be a competent and diligent legal practitioner with a tenacious approach that serves his clients well in legal disputation.
4. I commend Sam Roberts as a trustworthy and reliable person and I wish him well in his new enterprise as principal of his own legal practice.

Yours faithfully,

Peter E. Cullen
