RE: SAMUEL ROBERTS

Century 21 Stals & Kirk have used the services of Samuel Roberts through our clients for several years for various leasing and lease dispute matters and have always found him extremely efficient and reliable.

His attention to detail and our mutual client's needs has been outstanding resulting in smooth transitions of leasing between tenants and owners.

A handwritten signature in black ink, appearing to read "Janine Bevan", written over the typed name.

Yours sincerely
CENTURY 21 STALS & KIRK
